

Our Story

Com Cheiro de Amor was born from the desire to bring more light, harmony and well-being into your life. Each decorative piece and artisanal soap is created in a unique way in the Algarve (Faro), with dedication and soul.

Each soap is designed to offer the best experience for your skin.

“

Everything made from the heart becomes art.

”

What will we learn?

We will manufacture vegan and artisanal soaps. We will explore the therapeutic and aesthetic benefits of each ingredient, and understand the spiritual energy behind each aroma and natural essence. Every scent is unique and has individual properties. We will also learn how to preserve and package in a hygienic way.

HANDMADE SOAPS

Aesthetic Benefits

 Anti-Wrinkle

Stimulates collagen production and smooths fine lines. The skin becomes firmer, smoother, and younger with regular use.

 Acne-Prone Skin

Natural ingredients have antibacterial properties that fight acne-causing bacteria, deeply cleansing pores.

 Oily Skin

Regulates sebum production without drying the skin, eliminating excess shine and maintaining natural balance.

 Deep Hydration

Vegetable glycerin penetrates deep into the skin layers, providing long-lasting hydration and a velvety texture.

Spiritual Benefits

 Inner Peace

Natural scents like lavender and coconut calm the mind, reducing stress and promoting serenity.

 Energy Purification

Ingredients like coarse salt, rue, and activated charcoal cleanse the aura and renew body and space energies.

 Self-Love

The ritual of caring for your skin with natural products is an act of love and gratitude for your body, raising self-esteem.

 Soap Care Tip:

Store soaps in a cool, dry place. Wrap tightly with cling film to protect from air moisture and retain the aroma.
